Hi, Mary,

Last week I went to a camp on the mountains! I did lots of cool things!

On Monday, I went climbing and then we went swimming to a lake.

On Tuesday, I played tennis with my best friend.

On Wednesday, I went sailing.

On Thursday, I played football.

On Friday, I played basketball.

On Saturday, I went cycling with some friends.

On Sunday, I sat by the river and had some fun with all the other campers!

Love, Costas
